

Instrumentation Technician

Programme Operations Group
Indeterminate Full-Time position

About Us

SNOLAB is an international facility for world-class underground physics research and has an expanding programme in astroparticle physics and underground science. Located in an air-conditioned clean room 2 km underground in the Vale Creighton Mine near Sudbury Ontario, with a suite of surface facilities and laboratories, SNOLAB is currently preparing for the next generation of experiments.

The Position

There is an opening for a full-time Instrumentation Technician. The position will be responsible for maintaining process control systems throughout SNOLAB. The successful candidate will all be expected to provide expertise in the areas of design, development, installation, testing, calibration and operation of the lab process control systems and associated instrumentation.

Criteria

Education:

Candidates should have completed a two year community college diploma or equivalent in a relevant field.

Experience:

Candidates should have experience working with and maintaining control systems and associated instrumentation.

Salary Range

Salary will be determined by qualifications and experience and includes an attractive benefits package. This position is covered by the Collective Agreement between the SNOLAB Institute and the United Steelworkers Local 2020. To meet operational needs, shift work may be required.

To Apply

All applications must be submitted to jobs@snolab.ca. **Please do not fax or mail your applications.** By applying to the e-mail address, your application becomes available to managers immediately. Applications must be received not later than the closing date. Interested candidates should include a cover letter and resume.

Closing Date**April 7th, 2017**

Applications will be accepted until 23:59 Eastern Time.

Applications will be accepted until 23:59 Eastern Time. SNOLAB thanks all applicants for their interest, however, only those candidates considered for an interview will be contacted.

SNOLAB is committed to equity in employment and encourage applications from all qualified applicants, including women, aboriginal peoples, members of visible minorities and persons with disabilities.

In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents.

SNOLAB will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs.

Further information about SNOLAB may be found at www.snolab.ca

Posting Date**March 15th, 2017**
