

Supervisor

Integration Group
Full-Time Term Position (6 months from start date)

About Us

SNOLAB is a unique world-class international facility for deep underground scientific research. Located 2km underground in the Vale Creighton mine, near Sudbury, Ontario, SNOLAB hosts a suite of surface facilities and laboratories including a 5000m² clean room underground. The science programme at SNOLAB is primarily focussed on subatomic and astroparticle physics, specifically the search for dark matter and neutrino studies.

The Position

The Integration Supervisor is responsible for planning and directing the work of personnel under their supervision. This personnel will primarily consist of the Cleaners and Cleaner/Maintainers, however, it is expected that the position can periodically provide cross-functional supervision through the Facilities Division.

Criteria

Education:

Candidates must hold a Secondary School Diploma.

Post-secondary education is considered an asset.

Experience:

Experience directing, coaching, and training employees as well as planning, monitoring and scheduling work.

Experience working with the Occupational Health and Safety Act, with emphasis on Regulations 851 and 854.

Experience analyzing and resolving problems.

Experience working with Microsoft Office programs.

Experience working with SNOLAB's IIR and NCR forms and use is considered an asset.

Salary Range

Salary will be determined by qualifications and experience and includes an attractive benefits package.

To Apply

All applications must be submitted to jobs@snolab.ca. **Please do not fax or mail your applications.** By applying to the e-mail address, your application becomes available to managers immediately. Applications must be received no later than the closing date. Interested candidates should include a cover letter and resume.

Closing Date

March 21st, 2018

Applications will be accepted until 23:59 Eastern Time. SNOLAB thanks all applicants for their interest, however, only those candidates considered for an interview will be contacted.

SNOLAB is committed to equity in employment and encourages applications from all qualified applicants, including women, aboriginal peoples, members of visible minorities and persons with disabilities.

In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents.

SNOLAB will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs.

Further information about SNOLAB may be found at www.snolab.ca
